

Hillcrest is committed to promoting a positive Health and Safety culture amongst its employees and subcontractors. We achieve this by providing in-depth information and education in relation to working with Metal Partitions. Risk assessments are conducted on a regular basis in relation to the activities Hillcrest is involved in. Provision of P.P.E. as well as Manual Handling training are ensured to prevent cuts/abrasions and muscular injury. In addition our Health and Safety personnel are constantly monitoring and auditing Health and Safety at Hillcrest Metal Partitions and the company as a whole.

HILLCREST HEALTH AND SAFETY POLICY STATEMENT

Health and Safety Work etc Act 1974

This is the Health and Safety Policy Statement of Hillcrest Metal Partitions

Our statement of general policy is:

- To provide adequate control of the health and safety risks arising from our activities in metal partitions;
- To consult with our employees on matters affecting their health and safety;
- To provide and maintain safe plant and equipment;
- To ensure safe handling and use of substances
- To provide information, instruction and supervision for employees
- To ensure all employees are competent to do their tasks, and to give them adequate training;
- To prevent accidents and cases of work related ill health;
- To maintain safe and healthy working conditions; and
- To review and revise this policy as necessary at regular intervals.
